or with both.

21. Offences by corporate body.- A corporate body shall be held liable for an offence under this Ordinance if the offence is committed by it. Provided that such punishment shall not absolve the criminal liability of the natural person who has committed the offence.

Explanation.- For the purposes of this section corporate body, includes a body of persons incorporated under any law such as the Companies Act, 1947.

CHAPTER-III

PROSECUTION AND TRIAL OF OFFENCES

22. Offences to be compoundable and non-cognizable.- All offences under this Ordinance shall be compoundable, non-cognizable and summary offences.

23. Prosecution and trial of offences.- (1) The Tribunal shall take cognizance of and try any offence under this Ordinance .

(2) In all matters with respect to which no procedure has been provided in this Ordinance or the rules made thereunder, the procedure shall be the same as in the Code of Criminal Procedure, 1973.

(3) All proceedings before the Tribunal shall be deemed to be judicial proceedings within the meanings of sections 193 and 228 of the Code of Criminal Procedure, 1973.

24. Order for payment of compensation.- The Tribunal may, on awarding punishment of imprisonment or fine or both for commission of an offence under this Ordinance, order the offender to pay compensation to the person who has suffered loss or damage. Provided that the compensation awarded by the Tribunal shall not prejudice any right to a civil remedy for the recovery of damages.

CHAPTER-IV

ESTABLISHMENT OF INVESTIGATION AND PROSECUTION AGENCIES

25. Establishment of investigation agencies and prosecution.- The Federal Government shall establish a specialized investigation agency for the purpose of investigating offences under this Ordinance. Provided that till such time any agency is so established, the investigation and prosecution of an offence shall be conducted in accordance with the provisions of the Code of Criminal Procedure, 1973.

Provided further that any police officer investigating an offence under this Ordinance may seek assistance of any special investigation agency.

26. Powers of officer.- (1) Subject to obtaining search warrant an investigation officer shall be entitled to,-

- have access to and inspect the operation of any electronic system;
- use or cause to be used any such electronic system to search any data contained in or available to such electronic system;
- have access to or demand any information, code or technology which has the capability of retransforming or unscrambling encrypted data;
- require any person by whom or on whose behalf, the investigating officer has reasonable cause to believe, any electronic system to provide him with such information, code or technology as may be necessary to decrypt data required for the purpose of investigating any such offence.

Explanation.- Decryption information means information or technology that enables a person to readily retransform or unscramble encrypted data.

(2) The police officer may, subject to the proviso, require a service provider to submit subscriber information relating to such system. Provided that the investigating officer shall get prior permission to investigate any service provider from the licensing authority under the Telecommunication Act, 1994.

(3) Any person who obstructs the lawful exercise of the powers under sub-sections (1) or (2) shall be liable to punishment with imprisonment for a term not exceeding six months or with fine not exceeding five hundred rupees or with both.

27. Real-time collection of traffic data.- (1) The Federal Government may require a licensed service provider, within its existing means of an electronic system. (2) The Federal Government may also require the service provider to keep confidential the fact that it has collected such data.

28. Retention of traffic data,- (1) A service provider shall, within its existing or required technical capability, retain its traffic data for a period of six months from the date of collection. The Federal Government may extend the period to retain such data as and when deems appropriate. (2) The service providers shall retain the traffic data under sub-section (1) by fulfilling all the requirements of data retention under the Telecommunication Act, 1994.

(3) Any person who contravenes the provisions of this section shall be punished with imprisonment for a term of six months, or with fine not exceeding five hundred rupees or with both.

(4) The Federal Government may, subject to the proviso, require a service provider to submit subscriber information relating to such system.

29. Trans-border access.- For the purpose of investigation the Federal Government or the investigation agency may

Government or international agency access publicly available electronic system or data notwithstanding the geographical location of such system or data. Provided that such access is not prohibited under the law of the foreign Government or the international agency:

Provided further that the investigating agency shall inform in writing the Ministry of Foreign Affairs of Government of Pakistan or the Ministry of Foreign Affairs of the foreign Government or the international agency.

CHAPTER - V

INTERNATIONAL COOPERATION

30. International cooperation.- (1) The Federal Government may cooperate with any foreign Government, Interpol or

it has, or establishes, reciprocal arrangements for the purposes of investigations or proceedings concerning offences related to interception of data.

(2) The Federal Government may, without prior request, forward to such foreign Government, Interpol or other international agency information which might assist the other Government or agency in initiating or carrying out investigations or proceedings concerning any offence under this Ordinance.

(3) The Federal Government may require the foreign Government, Interpol or other international agency to keep the information confidential.

(4) The investigating agency shall, subject to approval of the Federal Government, be responsible for sending and answering requests for information.

(5) The Federal Government may refuse to accede to any request made by such foreign Government, Interpol or international agency if such request is not in accordance with the law of the Federal Government.

(6) The Federal Government may postpone action on a request if such action would prejudice investigations or proceedings concerning any offence under this Ordinance.

Chapter - VI

INFORMATION AND COMMUNICATION TECHNOLOGIES TRIBUNAL

31. Information and Communication Technologies Tribunal .- (1) As soon as possible after the commencement of this Ordinance , the Federal Government shall constitute a Tribunal for the purpose of investigating and trying offences under this Ordinance.

(2) The Tribunal may hold its sittings at such place or places as the Federal Government may decide.

(3) The Tribunal shall consist of a chairman and as many members as the Federal Government may determine but not more than seven.

(4) The Chairman may constitute Benches of the Tribunal and unless otherwise directed by him a Bench shall consist of not less than three members.
