

2. The competent party shall notify in writing the holder of the registration certificate, within one month as from the date of the period expiry, to renew the registration. If three months elapse after the expiry of registration without renewal, the competent party shall automatically cancel the registration.

#### **Article 112**

1. A drawing or design may not be disposed of except in respect of industrial products distinguished by such a drawing or design.
2. Relinquishment of a drawing or design as well as granting a license for its use shall be made in writing. The competent party shall issue standard contracts to regulate granting of licenses.
3. Disposal of a drawing or design shall have no effect between the contracting parties or vis-à-vis third parties except after so indicating on the margin of the drawing or design registration and announcing the disposal in the methods decided in the regulations.

#### Article 113

1. The court shall decide that a registration is null at the request of an interested party in the following cases:
  - a. If substantive conditions are not satisfied for the drawing or design registration.
  - b. If the holder of the certificate or his predecessor usurped the elements of the drawing or design. In this case, the party whose effort was usurped may request transferring the registration certificate to him.
2. The decision that a registration is null shall result in canceling the registration certificate retroactively. When the decision becomes unobjectionable, the competent party shall cancel the registration. The cancellation shall be announced in the methods decided in the regulations.

### **Section 3 Violation of Protection**

#### **Article 114**

Any one who knowingly imitates or counterfeits a registered drawing, design or mark, uses a registered drawing, design or trade which is imitated or counterfeited, fixes on his products or attaches to his services a drawing, design or mark registered for others, sells or offers for sale or circulation or acquires for the purpose of sale products on which there is unlawfully imitated, counterfeited or fixed it, shall be considered as having violated the legal protection decided for the industrial and trade drawing, design and mark, and the provisions of the next articles shall apply to him.

#### **Article 115**

The holder of the registration certificate may request from the courts one of the following:
