# Computer Security Incident Response Team (CSIRT)

## Who We Are

ECS-CSIRT serves as the South African Government Computer Security Incident Response Team.

ECS-CSIRT is a registered member of the globally recognised ICT and cyber security organisation known as FIRST. (Forum of Incident Response and Security Teams)

Our core services are primarily offered to Organs of State, with the aim to create a single point of contact, where the constituency can obtain CSIRT services and receive assistance on cyber security issues.
