Who is Action Fraud?

Action Fraud is the UK's national reporting centre for fraud and internet crime where you

should report fraud if you have been scammed, defrauded or experienced cyber crime.

We provide a central point of contact for information about fraud and financially motivated internet crime. People are scammed, ripped off or conned everyday and we want this to stop.

The service is run by the City of London Police working alongside the **National Fraud Intelligence Bureau** (</report-a-fraud/what-we-do-with-your-information>) who are responsible for assessment of the reports and to ensure that your fraud reports reach the right place. The City of London Police is the national policing lead for economic crime.

Report fraud and internet crime

You can report fraud or internet crime using our **online reporting service** (/report_fraud) any time of the day or night; the service enables you to both report a fraud and find help and support. We also provide help and advice over the phone through the Action Fraud contact centre. You can talk to our fraud and internet crime specialists by calling **0300 123 2040**.

When you report to us you **will** receive a police crime reference number. Reports taken are passed to the National Fraud Intelligence Bureau. Action Fraud does not investigate the cases and cannot advise you on the progress of a case.
