Incident report

## RU-CERT

RU-CERT is a name of CSIRT (Computer Security Incident Response Team) team from Russian Federation. We provide computer incidents prevention and response service for all users when the incident in question is related to resources, located on the territory of Russian Federation. We also provide assistance in contacting Russian IRTs, abuse services and law enforcement agencies.

RU-CERT is a full member of FIRST since 2001 and a permanent attendee of TF-CSIRT meetings.

You can contact RU-CERT team members using e-mail info@cert.ru.

Telephone numbers: +7 499 196 9010, +7 499 196 7221 (10:00-18:00 except weekends and official holidays).

FAX: +7 499 197 4892.

Timezone: UTC+3.
