VISION STATEMENT

The vision of the United States Secret Service is to uphold the tradition of excellence in its investigative and protective mission through a dedicated, highly-trained, diverse, partner-oriented workforce that employs progressive technology and promotes professionalism.

MISSION STATEMENT

The mission of the Secret Service is to ensure the security of our President, our Vice President, their families, the White House, the Vice President's Residence, national and visiting world leaders, former Presidents, and events of national significance. The Secret Service also protects the integrity of our currency and investigates crimes against our national financial system committed by criminals around the world and in cyberspace.

To accomplish this mission, the Secret Service implements the following operational programs:

- Protection
- Protective Intelligence
- Criminal Investigations

The Secret Service achieves excellence in these program areas by deploying leading-edge technologies to mitigate emerging threats and contributes to the success of the goals the Department of Homeland Security has identified in its 2014 Quadrennial Homeland Security Review (QHSR).
