The following are the list of upcoming policies, which will be developed during the financial year 2013-2014:

- Postal Services Policy
- National Cyber security Policy
- Government CIO Policy
- ICT Hub Policy

If you are interested in providing your contributions in form of comments, views and/or potential concerns during the policy development stage, please send us your details (name, title, institution, phone contact and email address) via email at consultations@myict.gov.rw with a clear subject indicating which policy you wish to contribute to. The Ministry of Youth and ICT will reach back to you once a zero draft paper is available for consultations purposes. Thank you.
