## Liechtenstein

Liechtenstein's National Police is the country's single police force. It is made up of more than 100 men and women for a population of 36,000, and consists of three divisions:

- Executive Support Division;
- Security & Traffic Division;
- Crime Investigation Division.

### INTERPOL Vaduz

The INTERPOL National Central Bureau (NCB) for Liechtenstein is part of the International Police Cooperation (IPC) unit, a department of the Executive Support Division.

INTERPOL Vaduz and the IPC are located on brand new office premises situated in the National Police building complex.

With a staff of almost 10, the IPC unit operates as the national hub for exchanging information between police forces and authorities worldwide. It is the single point of contact for international police cooperation involving Liechtenstein.

#### International operation combats online supply of counterfeit and illegal medicines

An international week of action targeting the online sale of counterfeit and illicit medicines has resulted in a series of arrests and the seizure of thousands of potentially harmful medical products. In response to an ever-increasing number of websites supplying dangerous and illegal medicines, Operation Pangea II involving 24 countries was co-ordinated b...
